1 Publication

Tbilisi Centre for Mathematical Sciences (the 'Licensee') will consider publishing this article, including any supplementary information and graphic elements therein (e.g. illustrations, charts, moving images) (the 'Article'), including granting readers rights to use the Article on an open access basis under the terms of the stated Creative Commons licence. Headings are for convenience only.

2 Grant of Rights

Subject to editorial acceptance of the Article, it will be published under the Creative Commons licence shown above.

In consideration of the Licensee evaluating the Article for publication, the Author grants the Licensee the non exclusive, irrevocable and sub-licensable right, unlimited in time and territory, to copy-edit, reproduce, publish, distribute, transmit, make available and store the Article, including abstracts thereof, in all forms of media of expression now known or developed in the future, including pre- and reprints, translations, photographic reproductions and extensions.

Furthermore, to enable additional publishing services, such as promotion of the Article, the Author grants the Licensee the right to use the Article (including the use of any graphic elements on a stand-alone basis) in whole or in part in electronic form, such as for display in databases or data networks (e.g. the Internet), or for print or download to stationary or portable devices. This includes interactive and multimedia use as well as posting the Article in full or in part or its abstract on social media, and the right to alter the Article to the extent necessary for such use. Author grants to Licensee the right to re-license Article metadata without restriction (including but not limited to author name, title, abstract, citation, references, keywords and any additional information as determined by Licensee).

If the Article is rejected by the Licensee and not published, all rights under this agreement shall revert to the Author.

3 Copyright

Ownership of copyright in the Article shall vest in the Author. When reproducing the Article or extracts from it, the Author shall acknowledge and reference first publication in the Journal.

4 Self Archiving

Author is permitted to self-archive a preprint and the accepted manuscript version of their Article.

The rights and licensing terms applicable to the version of the Article as published by the Licensee are set out in sections 2 and 3 above. The following applies to versions of the Article preceding publication by the Licensee and/or copyediting and typesetting by the Licensee. Author is permitted to self-archive a preprint and an Author's accepted manuscript version of their Article.

a) A preprint is the version of the Article before peer-review has taken place ("Preprint"). Prior to

acceptance for publication, Author retains the right to make a Preprint of their Article available on any of the following: their own personal, self-maintained website; a legally compliant Preprint server such as but not limited to arXiv and bioRxiv. Once the Article has been published, the Author should update the acknowledgement and provide a link to the definitive version on the publisher's website: "This is a preprint of an article published in [insert journal title]. The final authenticated version is available online at: [https://doi.org/\[insert DOI\]](https://doi.org/[insert DOI])"

- b) The accepted manuscript version, by industry standard called the "Author's Accepted Manuscript" ("AAM") is the version accepted for publication in a journal following peer review but prior to copyediting and typesetting:

Author retains the right to make an AAM of their Article available on any of the following, provided that they are not made publicly available until after first publication: their own personal, self-maintained website; their employer's internal website; their institutional and/or funder repositories. AAMs may be deposited in such repositories on acceptance, provided that they are not made publicly available until after first publication.

An acknowledgement in the following form should be included, together with a link to the published version on the publisher's website: "This is a post-peer-review, pre-copyedit version of an article published in [insert journal title]. The final authenticated version is available online at: [http://dx.doi.org/\[insert DOI\]](http://dx.doi.org/[insert DOI])".

5 Warranties & Representations

Author warrants and represents that:

- a)
- i. the Author is the sole copyright owner or has been authorised by any additional copyright owner(s) to grant the rights defined in clause 2,
 - ii. the Article does not infringe any intellectual property rights (including without limitation copyright, database rights or trade mark rights) or other third party rights and no licence from or payments to a third party are required to publish the Article,
 - iii. the Article has not been previously published or licensed,
 - iv. if the Article contains materials from other sources (e.g. illustrations, tables, text quotations), Author has obtained written permissions to the extent necessary from the copyright holder(s), to license to the Licensee the same rights as set out in clause 2 and has cited any such materials correctly;
- b) all of the facts contained in the Article are according to the current body of research true and accurate;
- c) nothing in the Article is obscene, defamatory, violates any right of privacy or publicity, infringes any other human, personal or other rights of any person or entity or is otherwise unlawful and that informed consent to publish has been obtained for all research participants;
- d) nothing in the Article infringes any duty of confidentiality which Author might owe to anyone else or violates any contract, express or implied, of Author. All of the institutions in which work recorded in the Article was created or carried out have authorised and approved such research and publication; and
- e) the signatory who has signed this agreement has full right, power and authority to enter into this agreement on behalf of all of the Authors.

6 Cooperation

- a) Author shall cooperate fully with the Licensee in relation to any legal action that might arise from the publication of the Article, and the Author shall give the Licensee access at reasonable times to any relevant accounts, documents and records within the power or control of the Author. Author agrees that the distributing entity is intended to have the benefit of and shall have the right to enforce the terms of this agreement.
- b) Author authorises the Licensee to take such steps as it considers necessary at its own expense in the Author's name(s) and on their behalf if the Licensee believes that a third party is infringing or is likely to infringe copyright in the Article including but not limited to initiating legal proceedings.

7 Author List

Changes of authorship, including, but not limited to, changes in the corresponding author or the sequence of authors, are not permitted after acceptance of a manuscript.

8 Corrections

Author agrees that the Licensee may retract the Article or publish a correction or other notice in relation to the Article if the Licensee considers in its reasonable opinion that such actions are appropriate from a legal, editorial or research integrity perspective.

9 Governing Law

This agreement shall be governed by, and shall be construed in accordance with, the laws of the Federal Republic of Germany. The courts of Berlin, Germany shall have the exclusive jurisdiction.
